Read the article about a film called *Dinosaur Island* and then answer the questions. For questions 21 – 27, mark **A**, **B** or **C** on your answer sheet.

Film review: *Dinosaur Island*

George

I went with my younger brother to see this film. I had a great time, but he didn't. He had to close his eyes in some parts because the dinosaurs looked so real and he didn't laugh once. I thought the story was really exciting and the clothes were amazing. I'd like to buy the DVD and watch it at home too. The beginning and the ending were excellent!

Cathy

I saw the advertisement for the film on TV and it looked great but it wasn't as good as I hoped. I loved the beginning but the second half was boring, I think. I wouldn't go and see it again. I like films about teenagers and their lives much more. I think those are funnier. I've bought a brilliant book about film-making. I'd love to be a famous actress one day and wear lots of wonderful clothes.

Andrew

I didn't want this film to end because I liked it so much! I read this story before I saw the film. I usually enjoy the books more, but this time it was the opposite! I enjoyed feeling afraid but I laughed a lot in parts of the film too. I read all about how they made the dinosaurs on the Internet after I went to see it. I think most young people will love seeing this film!

Example:

- 0 Who would like to see the film again?
- A George
 - B Cathy
 - C Andrew

Answer: 0 A B C

- 21 Who enjoyed the second part of the film less than the first?
